SUBJECT: ARGENTINA: LATEST IAEA REPORT

REF: SECSTATE 57726

(SBU) Emboffs delivered reftel non-paper to the Argentine MFA's Directorate for International Security, Nuclear and Space Issues (DIGAN) on May 30. In a following conversation June 3 with Sebastian Sayus of DIGAN, he responded that the MFA largely shares the USG's views on Iran's non-compliance and the IAEA investigation's findings, and that the GoA's delegation to the ongoing June 2-6 IAEA Board meeting will "act accordingly."
